

How to Search for Available Properties

Search Properties

The “Search Properties” menu allows you to search for available properties and view maps associated with the property. Each tract of land available for licensing is identified by a Recreational License Unit (RLU) number.

Land available for licensing is listed geographically by state and county. If your preferred county is not listed, then we do not currently have any property available for hunting in that county. Search results can be filtered by using the drop down arrows beside each of the search categories (state, county, RLU, price, and acres).

The "Type" filter provides you with three options in which you can filter your search: show all available RLUs, open for bidding, and License now (no bidding).

The image shows a search filter form with the following fields and options:

- Type: Show All Available RLUs (dropdown)
- State: Select (dropdown)
- County: (dropdown)
- RLU: Select (dropdown)
- Price: Minimum Price, Maximum Price (input fields)
- Acres: Minimum Acres, Maximum Acres (input fields)
- Show Property List (button)

Show All Available RLUs: Shows all properties available for licensing. This includes properties currently open for bidding and properties that are available for licensing immediately, without bidding.

Open for Bidding: Shows properties that are currently open for bidding. These properties will be open until the bidding period ends. Winning bidders will be notified (via email) at the end of the bidding period. RLU prices listed show the current highest bid value.

License Now (No Bidding): Shows properties that are available for licensing immediately. There is no bidding for these properties. Users can create their Licenses soon after purchasing and will be notified by email about payment amounts and due dates.

After selecting your search criteria and clicking "Show Property List", you will be automatically directed to the "Search Results" tab.
